

Pets in Engineering School Buildings

Approval Form

Pet owners must obtain prior written permission to bring their animals into Engineering School buildings. Approval can be obtained from a Department Chair for department employees, students and visitors or from the Associate Dean for Finance and Operations for Office of the Dean employees, students and visitors. Exceptions to the above provisions for prior approval shall include: 1.) animals used by blind, hearing impaired and/or handicapped persons for seeing-eye, hearing, or other handicapped assistance purposes, and 2.) animals brought to the University for University-sponsored research.

Name:

Type of Pet:

Size of Pet:

Reason for Having Pet in an Engineering School Building:

Dates Requested:

I will exercise reasonable control over my pet in order to minimize risks to others and property. While on Engineering School property, my pet will be attended and controlled at all times. I will clean up after my pet. It is my responsibility to be knowledgeable of and abide by applicable federal, State, University, and local laws and regulations governing the presence of dogs and other pets on public property.
