- ▶ Faculty, students, staff, community at large

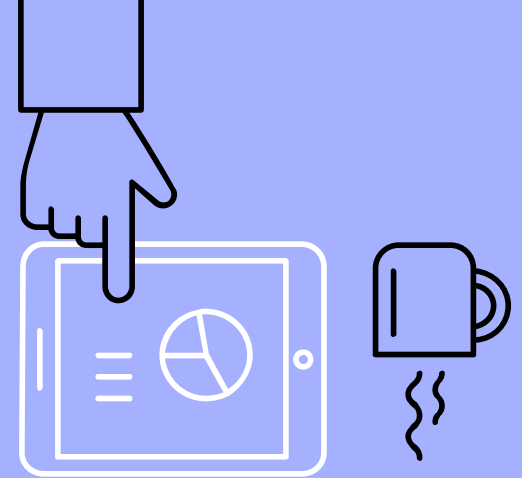

# Accessing Resources

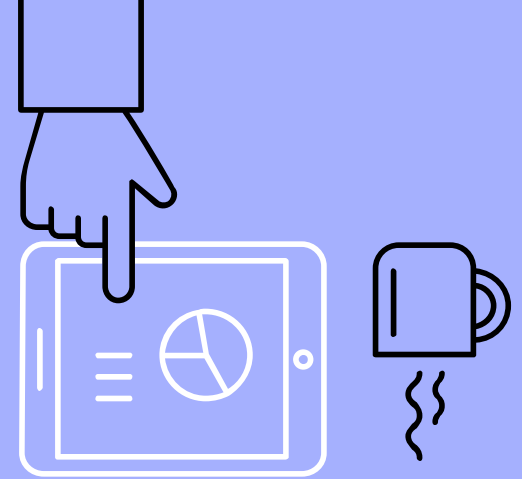

# Access to Resources

- ▶ UVA Libraries spend millions every year on access to the latest scholarly research

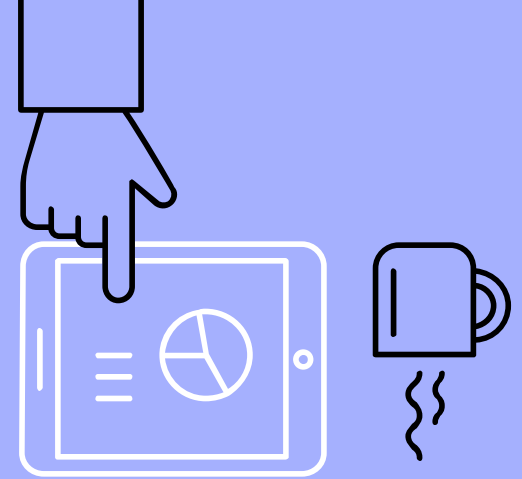

# How to access resources

- ▶ Use Google Scholar
  - It's easier
- ▶ UVA Library Homepage
  - [library.virginia.edu](https://library.virginia.edu)
  - Virgo: Library Searchbar
- ▶ VPN
  - Access from off-grounds
  - <https://www.library.virginia.edu/services/off-grounds-access>

# Requesting Articles/Journals/etc.

- ▶ Interlibrary Loan
  - Request individual articles, items
  - <https://www.library.virginia.edu/services/ils/ill>
- ▶ Purchase Request
  - Ongoing access to a journal
  - <https://www.library.virginia.edu/services/purchase-requests>

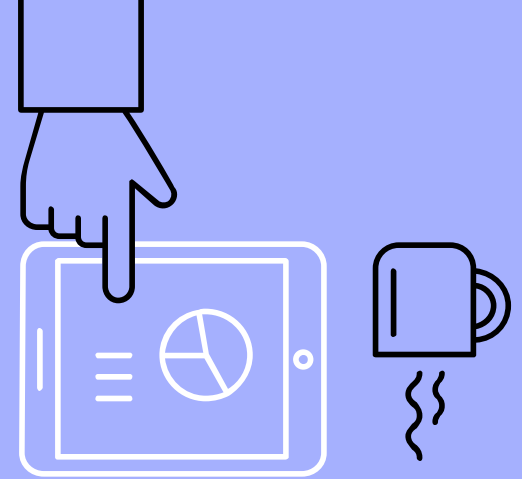

# Off Grounds Access to Materials

-you have access to all resources on or off grounds

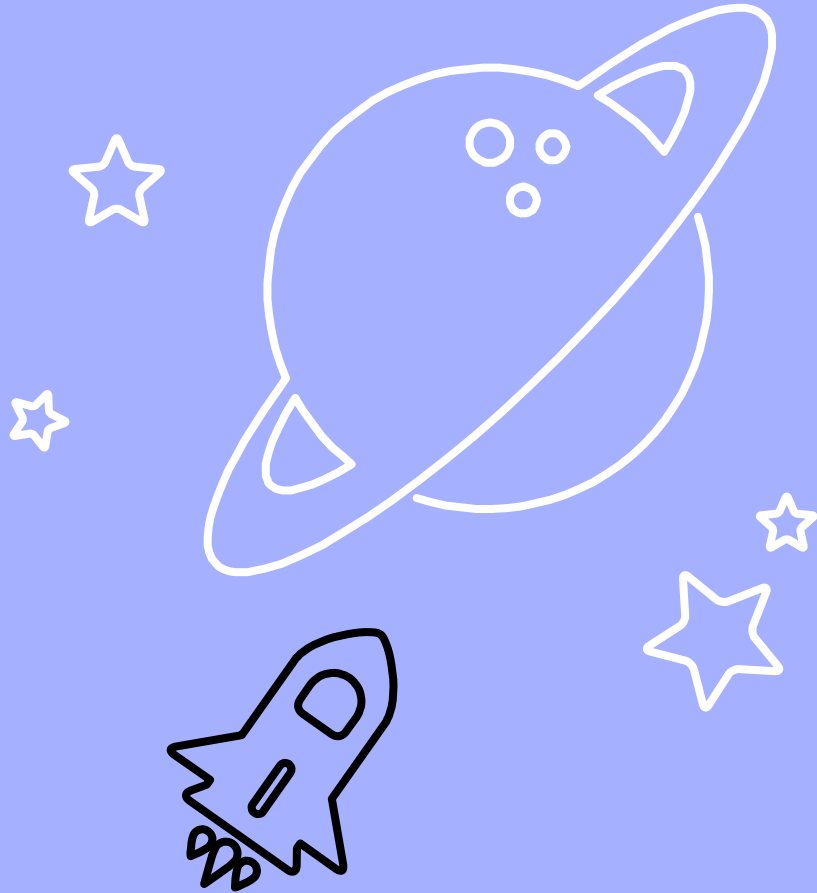

-easy to set up VPN

-

<https://www.library.virginia.edu/services/off-grounds-access>

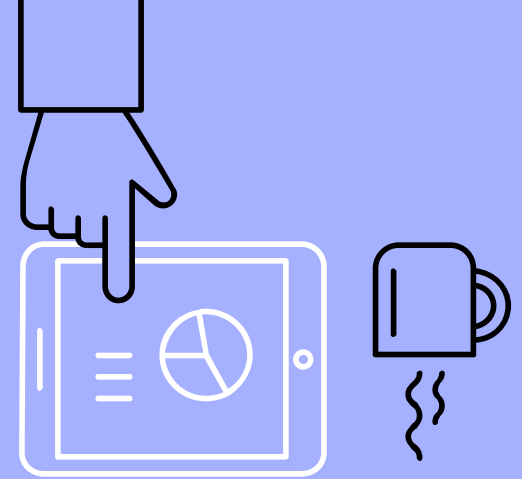

# ORGANIZE YOUR SOURCES

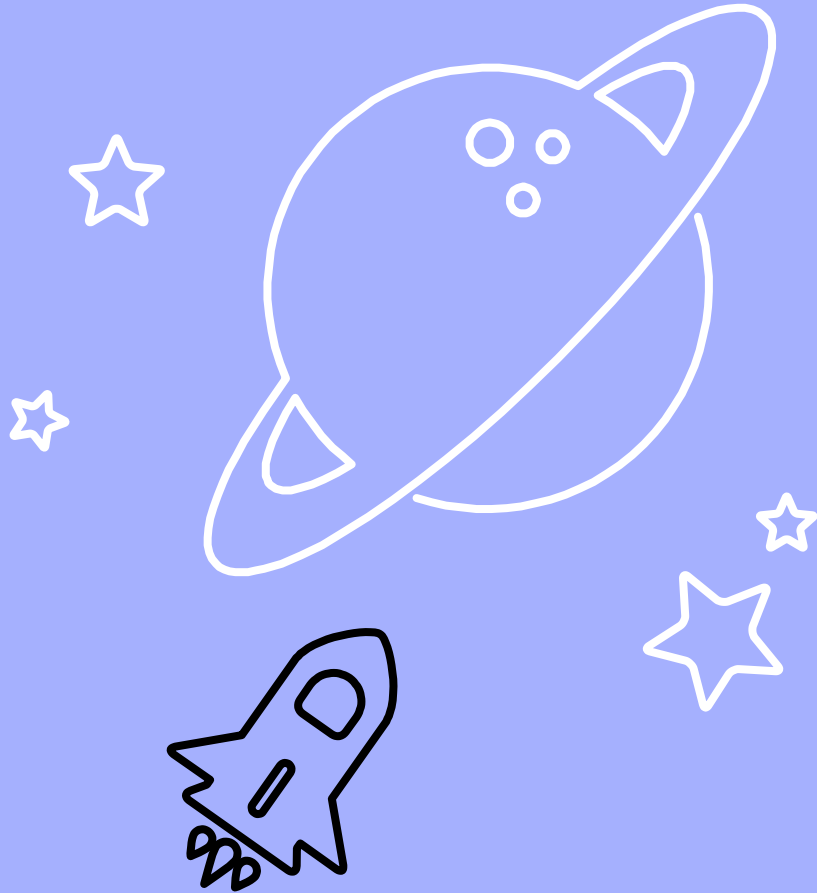

# Citation Management

- ▶ [guides.lib.virginia.edu/referencemanagers](https://guides.lib.virginia.edu/referencemanagers)
- ▶ Zotero, EndNote, Mendeley

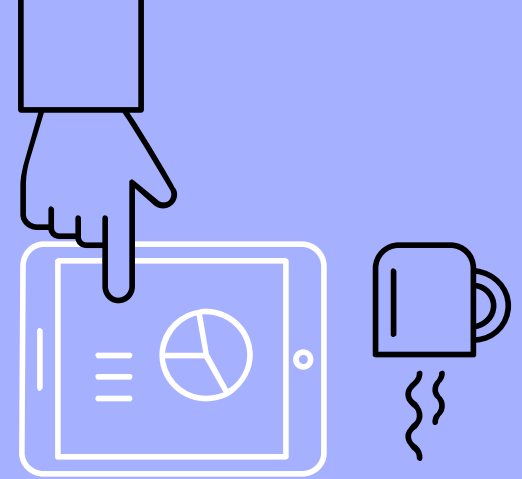

# Trainings & Workshops

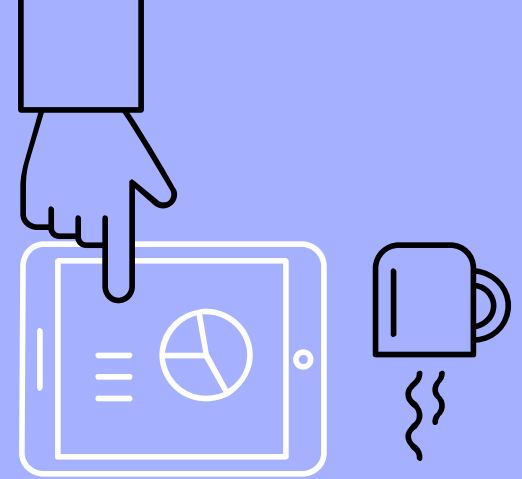

# Trainings & Workshops

- ▶ Learn R, Python, Statistics, Qualitative Methods, Reproducibility, etc.
- ▶ [data.library.virginia.edu/training](https://data.library.virginia.edu/training)
- ▶ Fall, Spring, Summer semester

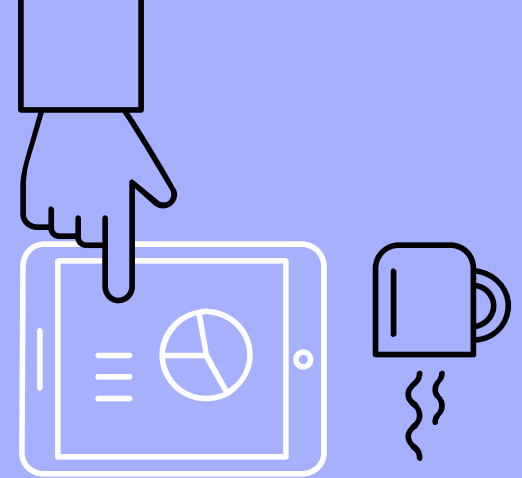

# Data + Software Support

- ▶ Statlab
  - [data.library.virginia.edu/statlab/](https://data.library.virginia.edu/statlab/)
  - [statlab@virginia.edu](mailto:statlab@virginia.edu)
- ▶ 1:1 or small groups
- ▶ Help with stats, code, data

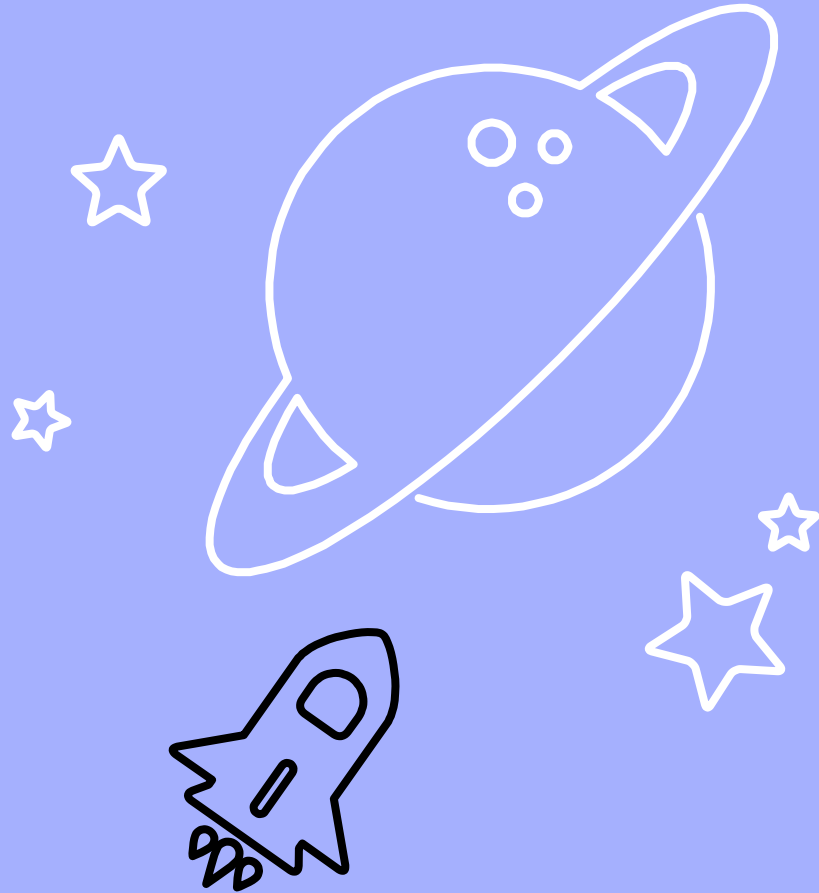

# Software Licensing

- ▶ Get free licenses for many software titles
- ▶ Matlab, SAS, Solidworks, ArcGIS, and many more
- ▶ [data.library.virginia.edu/research-software/](http://data.library.virginia.edu/research-software/)
- ▶ Remote Apps
  - Cloud computing environment

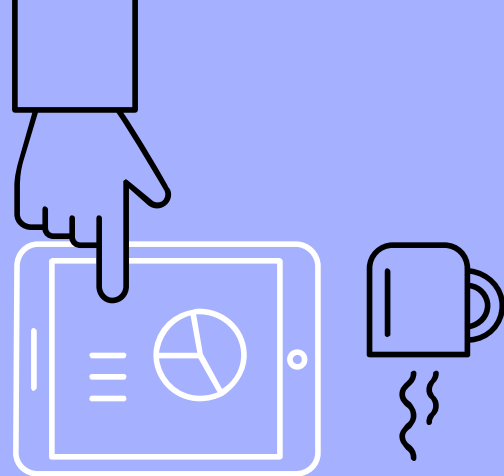

# Research Computing

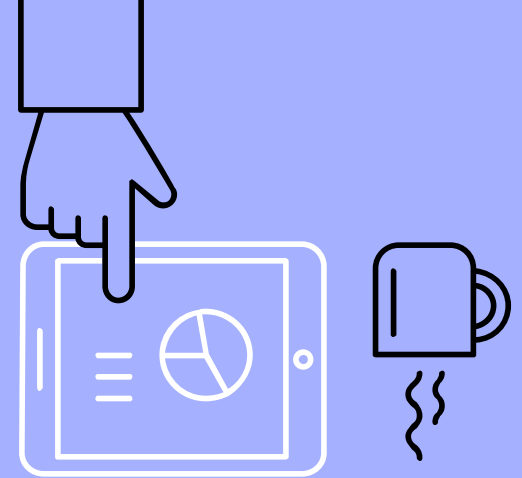

# Research Computing

- ▶ [rc.virginia.edu](http://rc.virginia.edu)
- ▶ Provide high performance computing support
- ▶ Additional workshops, office hours, etc.

# Libra

- UVA Library's Institutional Repository
- Satisfies funding requirements!
  - permanent DOI
  - data, code, other files are accessible
- <https://www.library.virginia.edu/libra>

# AI

-UVA Policies

-<https://provost.virginia.edu/subsite/genai/faqs>

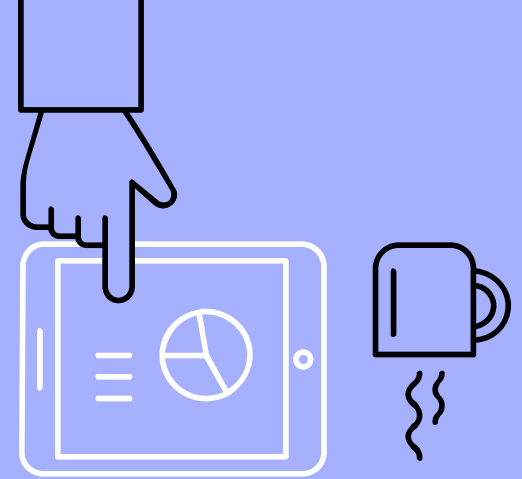

-Current tools available

-CoPilot Chat

-<https://in.virginia.edu/genai>

-Generative AI Libguide

-<https://guides.lib.virginia.edu/genai>

# THANKS!
