18 129 credits – minimum required for graduation. Additional information on electives on SE website under "Electives."

3

HSS Elective (3)

(1) Suitable science elective I courses are shown on SEAS approved list on the web.

3

(1)

15

HSS Elective (3)

17

(2) Science II electives should be chosen from approved 2000, 3000, and 4000 science or mathematics courses. See approved list on the SE website.

(2)

STS 2/3XXX

Elective (7)

16

- (3) Nine credits of humanities and social science electives should be selected in a related subject area of humanities and social sciences.
- (4) Nine credits of applications electives should be selected in a related applications area of systems engineering. See SE website for details.
- (5) Six credits of technical electives. See criteria for technical electives on SE website.
- (6) Fourth year Systems standing requires satisfactorily (C- or better) completing SYS 2001 and 2202 and also completing at least 4 of SYS 3021, 3023, 3034, 3060, and 3062.

3

(7) STS 1500 is a pre-requisite for many STS 2/3XXX electives. STS 2/3XXXis a pre-requisite for STS 4500.
