129 credits - minimum required for graduation. Additional information on electives on SE website under "Electives."

- (1) Suitable science elective I courses are shown on SEAS approved list on the web.
- (3) Nine credits of humanities and social science electives should be selected in a related subject area of humanities and social sciences.
- (4) Nine credits of Systems Electives. See criteria for Systems Electives on the SE website.
- (5) Three credits of Engineering Electives. See criteria for Engineering Electives on SE website.
- (6) Twelve credits of Unrestricted Electives. See criteria for Unrestricted Electives on the SE website.
- (7) Fourth year Systems standing requires satisfactorily (C- or better) completing SYS 2001 and 2202 and also completing at least 4 of SYS 3021, 3023, 3034, 3060, and 3062.
