

APPLICATION FORM
SCIENCE & TECHNOLOGY POLICY INTERNSHIP PROGRAM
SUMMER 2019

Application Deadline: 5:00 pm, Tuesday October 30th
Earlier applications will be reviewed as they come in, and interviews set up with qualified students

I. PERSONAL INFORMATION

Name:

Major:

Class Year:

Cumulative GPA:

Citizenship (we welcome all nationalities but some positions require US Citizenship):

Languages and levels of competence:

Birth date:

Gender(optional):

Are you receiving financial aid? If yes, is it based on merit, need, or some other criterion? If yes, will you require a stipend this summer in order to participate in the program?

Email:

Charlottesville address:

Charlottesville phone:

Cell phone:

Permanent address:

Permanent phone:

Number of hours per week you work for pay during this semester:

II. PLACEMENT PREFERENCES:

1. All interns will be considered for positions in Washington, D.C. In which organization(s) in Washington might you be interested in interning? You may list any organization, including those where we have not had interns in the past.

2. Would like to be considered for a position that encourages or requires competence in a foreign language (i.e., the French Embassy or the Pan American Health Organization)? If so, describe your level of proficiency in that language, and indicate your scores on the SAT II, AP language, UVA placement test, or other evidence of your proficiency.

3. Did you submit an application to the US State Department's internship program?

4. Have you applied this year to an agency with a separate application process (e.g., Environmental Protection Agency)?

III. INTEREST IN PROGRAM

5. How did you hear about the Policy Internship Program?
6. Why do you want to participate in the program? (200-300 words)
7. Which former policy interns have you talked to about the program(if any)? Not
8. What do you think is an important policy problem and why? (350-450 words)
(This is not intended to be a research exercise, but rather an opportunity for you to tell us about an issue that you care about.)

IV. OTHER INFORMATION

9. Attach a one-page resume, including education, work history, extracurricular activities, policy interests, volunteer experience and any other information that you believe is relevant for our consideration of your application.
10. Attach your transcript. An unofficial copy is acceptable.

*** Please attach all materials (Application Form, resume, and transcript) as Word documents to **one** email sent to the Program Director, Prof. Michael Gorman, at meg3cstar@gmail.com. Pls put PIP application in the subject line.*

LETTER OF RECOMMENDATION

Pls see separate form (attached)

On my honor, all statements in this application are true. I understand that the program requires (a) enrollment in Science and Technology Policy (STS 3020) in the Spring term, and (b) working and residing in the dormitory in Washington DC, with a possible need to contribute personal funds for housing costs, though the Program Director will assist those students who already are on financial aid and it is his hope that stipends of not more than \$3000 will be available to students in the summer of 2018, depending on the success of fund-raising efforts.

Signature _____ Date _____

Thank you for your interest in PIP! Pls contact the Director if you have any questions. He may refer you to one or more of our PIP alumni.
