

Memorandum

To: All UVa Civil Engineering Undergraduate Students Who Expect to Graduate in 2020, 2021, 2022
From: Awards Committee of the UVa Civil and Environmental Engineering Faculty
Date: December 1, 2018 (draft)
Subject: Application for CEE Department Scholarship Awards for 2018-19 **DUE NLT 4 PM ON FEBRUARY 6**

The Awards Committee wishes to advise you of several scholarships available for qualified students in the Department of Civil and Environmental Engineering. Each application will be considered for every scholarship for which the student may qualify with exception* which requires separate application. Applications will be received until 4 PM, Wednesday, February 6, via patgibson@virginia.edu or to the CEE Office in Thornton Hall, Room B-228.

Recipients will be announced at the CEE Celebration on Friday, April 26, 2019, at 1-3 pm, in Darden Court (ceremony expected to begin at 2 pm). In addition to those listed below, the Committee will select the Thompson Award recipient from the BSCE Class of 2019, based on academic achievement and service to the ASCE student chapter. The Rader award(s) is also made to **graduating** students based on these abilities: academic, get along well with others and work hard. Class standing is the status in upcoming 2019-2020 academic year. Consequently the Kinnier and Barton scholarships are awarded to students in the Classes of 2020 and 2021. Civils in 2022, 2021, and 2020 classes are considered for the Shope and Gaylord scholarships.

1. Furman W. Barton Scholarship

A scholarship honoring the late Professor Furman Barton, to be awarded to one or more deserving third- or fourth-year undergraduate student(s) studying civil and environmental engineering. Applicants must be in of good character and in good academic standing enrolled at SEAS.

2. Kinnier Scholarship

A scholarship honoring the late Professor Henry L. Kinnier to be awarded annually to a rising third- or fourth-year civil engineering student who is a member of the ASCE Student Chapter, whose GPA is among the top ten percent of the applicant's class in the Engineering School, and who is a U.S. citizen.

3. Andrew and Sandra Shope Scholarship in Engineering

A memorial scholarship established by Mr. and Mrs. Andrew Shope who continue to honor Mr. Kinnier. This is awarded to a civil engineering student who is a Virginia resident receiving Access financial need determined by the University's Student Financial Services.

4. Gaylord Scholarship

A scholarship honoring the late Professor Charles N. Gaylord, to be awarded to an undergraduate student(s) in civil engineering. Applicants must have completed at least four semesters of college level coursework of which two semesters have been in the CEE program. Selection is based on academic performance, financial need, and career aspirations.
