

MSE Special Topics Courses Taught in Recent Years

MSE 4592/6592 - **Advanced Ceramics**, Fall 20

MSE 4592/6592 - **X-ray Scattering Techniques in Materials Science**, Spring 20, Spring 21

MSE 4592/6592 - **Informatics for Engineers**, Spring 20, Spring 21

MSE 4592/6592 - **Dielectrics and Oxides**, Fall 18, Fall 19

MSE 4592/6592 - **Polymer Physics**, Spring 17

MSE 4592/6592 - **Solid State Devices Renewable Energy Conversion**, Spring 20

For questions about these or other MSE courses for undergraduates, please contact our undergraduate coordinator at coc6qq@virginia.edu.
