Change Degree Plan (ONLY)

I am in a master's degree plan and request admission to the PhD plan in my current department/ program without completing a master's degree.

I have completed or will complete my master's degree and request admission to the PhD plan in my current department/program beginning (term/year).

I request to change my academic plan (degree) within my current department/program. I have not completed nor will not complete my current degree and I am not requesting to bypass the master's.

Desired Plan (degree)

I am in a PhD degree plan, but will obtain a Master's degree (select type: ME or MS) in my current program/department during (term/year). I will then continue on my PhD studies in my current program/department during (term/year).
